

21-24 September 2017

Mantra Mooloolaba Beach,  
Sunshine Coast, QLD

The Annual Scientific Meeting of the Australian Vascular Biology Society is being held as a joint conference with the 19th Australia and New Zealand Microcirculation Society Meeting. The conference will cover 9 Topics and Sessions with 5 Plenary Speakers, Young Investigator invited speakers (less than 6 years since PhD), general presentations from abstracts and poster sessions.

## Topics and Sessions

- Permeability and Leukocyte Recruitment
- Angiogenesis and Lymphangiogenesis
- Cerebrovascular Disease
- Adaptations in Pregnancy, Perinatal Outcomes
- Atherothrombosis and Platelet Biology
- Oxidative Stress and Peripheral Vascular Disease
- Smooth Muscle Contractile Mechanisms
- Extracellular Matrix and Remodelling
- Immunology and Microvascular Endothelium
- Young Investigator Invited Speakers ( $\leq 6$  yrs since PhD)

## Registration & Abstract Submission

Conference registration and abstract submissions are open now, via the conference website;  
[www.cardiovascularbiology.org.au/anzms-avbs-2017](http://www.cardiovascularbiology.org.au/anzms-avbs-2017)

## Plenary Speakers

- **Mark Kahn, USA**  
*Lymphatic and blood vascular biology*
- **Sandra Davidge, CANADA**  
*Fetal origins of cardiovascular disease*
- **Mark Miller, USA**  
*Imaging leukocyte recruitment*
- **Rob Parton, AUSTRALIA**  
*Caveolae and cavins*
- **Gemma Figtree, AUSTRALIA**  
*Cardiovascular disease*

## Organising Committee

- Shaun Sandow
- Ben Hogan
- Peter Little
- Smriti Krishna
- Zhiyong Li
- Marianne Tare
- Fraser Russell
